Core Features of Fraud Protector.net

Advanced App Scanner

- Scans every installed app in real-time.
- Detects fake, hidden, or malicious apps designed to steal data.
- Identifies high-risk app behavior instantly.

Biometric Security Lock

- Protects the Fraud Protector app with fingerprint/Face ID.
- Prevents unauthorized access to privacy settings.
- Ensures tamper-proof security.

Developer Mode & Device Admin Alerts

- Detects if Developer Mode is switched on.
- Alerts when any app tries to gain dangerous Device Admin privileges.
- Stops hackers from exploiting system-level controls.

Camera & Mic Access Monitor

- Shows which apps used your camera or microphone in the last 24 hours.
- Helps identify spying or background-recording apps.
- Ensures complete privacy awareness.

Banking SMS Scam Protection

- Instantly scans incoming messages for fake banking alerts or phishing links.
- Warns you before you click on harmful URLs.
- Blocks OTP-stealing and money-stealing SMS scams.

Safe Payment Protection

- Checks Wi-Fi safety before online transactions.
- Verifies key system settings for secure payments.
- Prevents man-in-the-middle attacks on unsecured networks.

Call Forwarding Tracker

- Detects if your calls are secretly forwarded.
- Prevents scammers from hijacking OTPs or verification calls.
- Restores full control of your communication.

Report & Block Fraudsters

- Instantly report spam or scam numbers.
- Blocks fraudulent callers.
- Contributes to a growing national fraud-protection network.

Screen Share Alert

- Alerts instantly if any app starts sharing your screen.
- Protects you during calls from remote-access scams.
- Helps prevent unauthorized viewing of your device.

Dark Web Monitoring

- Monitors dark web sources for leaked personal data.
- Alerts you if your email or phone number is exposed.
- Enables quick action to secure your identity.

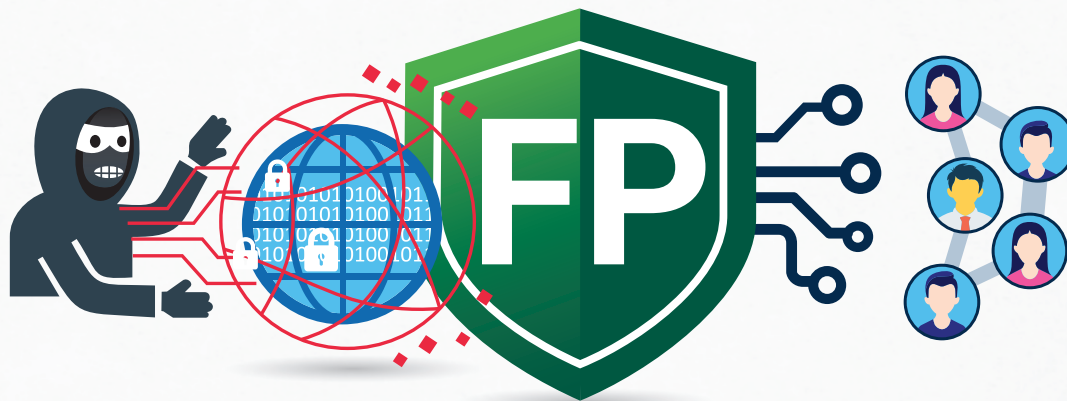

Recipient Name Notifier

- Shows verified recipient name during payments.
- Helps avoid QR code and redirection scams.
- Ensures money is sent to the correct person.

Why Choose Fraud Protector.net?

- ✓ Made for India's fast-growing digital users
- ✓ Real-time protection with zero complexity
- ✓ Protects your money, privacy, identity & personal data
